

Foundation One
Home-School Challenge
W/C: 2.9.19

We hope the children have had a fantastic first week of the new school year. We have really enjoyed seeing so many happy, smiley children in our classroom. During our first week of settling in we have also been busy:

- Drawing pictures of our houses and families.
- Designing houses using collage materials.
- Using the playdoh to add some features to houses.

For our first topic next week we will be reading the story 'Rainbow Fish' and thinking about how to be a good friend.

For your homework you could:

- Draw a picture of one of your new school friends.
- Choose a colour from the rainbow and draw some things that are the same colour.
- Create a fish or sea creature that we could use as part of our beautiful classroom display.

Thank you for your hard work and continued support.

We look forward to another wonderful week!

Mrs Heaton and Mrs Edwards
