

Foundation One
Home-School Challenge
WC: 11.11.19

This week we have been thinking all about Bonfire Night and some of our activities have included:

- Learning all about the first Bonfire Night and the story of Guy Fawkes.
- Making our own sparklers and waving them to try and make shapes.
- Firework printing.
- Making shape rockets.

Next week we will begin a two week topic of 'Autumn'. We will be reading stories such as 'Percy the Park-Keeper', 'Owl Babies' and one of Mrs Heaton's favourites, 'Stickman'. If you have any autumn books at home you could share these as part of your homework, you could add this to tapestry. Other activities that you could try are:

- Make a printing picture with some harvest vegetables.
- Collect some autumn objects for our interest table.
- Bake some delicious biscuits using the harvested flour.

I would also like to say a very big thank you to all parents and grown-ups who came and supported our stay and play. It was wonderful to see how much the children enjoyed sharing their activities and song with everyone.

Thank you for your hard work and continued support!
I look forward to another wonderful week in Foundation one.

Mrs Heaton
