

Victoria Dock Primary School Home Learning Plan

Year 1

Week Commencing 28th September

As your child is absent from school at the moment, please read the following information and links in order for your child to continue their education until they can return to school. These resources are aligned with the teaching taking place in school and wherever possible video links and additional instructions are given to help support your child. All completed work should be returned to school when your child returns. It will then be looked at by school staff following a quarantine period.

Writing

This week in class we will be writing lists, labels and captions. Our inspiration will come from the oceans. We are labelling a picture of the rainbow fish and using adjectives to describe him. We are also using these words to write sentences about the fish.

Reading/Phonics

This week in phonics you will be reviewing the following set 1 digraphs (special friends):
ch, sh, th, ng, nk. Please see attached links:

Once you have read the story, ask your child to retell it to you and talk to them about the message.

Other Subjects

In Science, we are looking at seasonal changes with a focus on Autumn. Describe Autumn using pictures, words and / or sentences.

In Geography, we are exploring the continents and our theme this week will be Australia. Can you find an interesting fact about Australia to wow your teacher with?

In Art, we are designing our own scale for the rainbow fish. Please make this as bright and as colourful as possible.

In Jigsaw, we are talking about achievements we are proud of. What have you done that you are proud of? Tell an adult and then draw a picture showing your achievement.

** If you are unable to access resources and would prefer a paper copy of these instructions please contact the school office.
