

Victoria Dock Primary School Home Learning Plan

Year 4

Week Commencing 28th September

As your child is absent from school at the moment, please read the following information and links in order for your child to continue their education until they can return to school. These resources are aligned with the teaching taking place in school and wherever possible video links and additional instructions are given to help support your child. All completed work should be returned to school when your child returns. It will then be looked at by school staff following a quarantine period.

Writing

This week we will be reading the remainder of The Secret Of Black Rock by Joe Todd Stanton. <https://www.youtube.com/watch?v=8sx9ASOlitE>

We would like you to write your own version of Erin's adventure. Write your own version of the story.

If you need help on how to structure a story you may find it useful to visit the Oak Academy website. This website has many examples of different stories.

Reading

Use the link below for the Oxford Owl reading website. Enter the Home section and you will have access to plenty of free E-books. Choose an age-appropriate book that grabs your interest. Read it and then create us a book review about the book.

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=details&query=&type=book&age_group=Age+7-9&level=&level_select=&book_type=&series=

Other Subjects

History

This week we will be learning about Anderson and Morrison shelters. Research what these were and write a description about them. You could include information about;

- What they were made from.
- Why they were used.
- Where they were built.
- What they were like inside.

You may even want to compare and contrast the two shelters!

Art

Linked to the above activity, we would like you to sketch/draw an example of an Anderson or Morrison shelter. You want to do both! Add labels to your drawing.

PE

This week we are perfecting our jumping and landing skills. If you are able, practice these skills and create your very own game that involves jumping! You may even want to write a set of instructions for your game so that others can learn it and attempt it!

Jigsaw

This week we will be looking at the actions that affect ourselves and others. Create a table with the headings; **Rewards I look forward to receiving** and **Why this reward is significant to me**. Complete the table with at least three rewards and three reasons.

** If you are unable to access resources and would prefer a paper copy of these instructions please contact the school office.
