

Victoria Dock Primary School Home Learning Plan

Year 2

Week Commencing 2nd November

As your child is absent from school at the moment, please read the following information and links in order for your child to continue their education until they can return to school. These resources are aligned with the teaching taking place in school and wherever possible video links and additional instructions are given to help support your child. All completed work should be returned to school when your child returns. It will then be looked at by school staff following a quarantine period.

Year 2 Maths – Online Learning		
Addition and Subtraction		
Lesson	Video Link	Worksheet
Lesson 4 Related Facts	https://vimeo.com/461840544	https://resources.whiterosemaths.com/wp-content/uploads/2019/08/Y2-Autumn-Block-2-WO4-Related-facts-2019.pdf
Lesson 5 Bonds to 100	https://vimeo.com/463016488	https://resources.whiterosemaths.com/wp-content/uploads/2020/09/Y2-Autumn-Block-2-WO5-Bonds-to-100-tens-2019.pdf
Lesson 6 Adding and subtracting 1s	https://vimeo.com/463031310	https://resources.whiterosemaths.com/wp-content/uploads/2019/08/Y2-Autumn-Block-2-WO6-Add-and-subtract-1s.pdf

Please also practice your 2, 5 and 10 times tables on Times tables Rockstar's.

Writing

This week in class we will be focusing heavily on our handwriting. Can you practice the following letters, focusing on the correct formation?

c c c c c c c

can

cub

cot

o o o o o o o

on

off

odd

Pick one of your new books you got on Roald Dahl day and write a mini review about the book. What did you like about it? What didn't you like about it? Who was your favourite character? Was there an evil character you didn't like? What was the story about? Use the template below to help you.

A book review by: _____

Book title: _____

What is the book about?

Who are the main characters?

Where is the story set?

What did you like about this book?

Rating: 

Draw your favourite part of the story.

Other Subjects

Topic

This week we will be creating our own bridges using different materials. Can you create your own bridge using various materials you can find around your house? Please find attached a PowerPoint and booklet about different rivers, have a look through the booklet and gather some different facts using the fact sheet.

Art

This week we will be creating our own river collages. Can you create your own river collage using the river template below?

Jigsaw

This week we will be talking about similarities, differences and how we can make assumptions about boys and girls. Complete the sheet attached about the similarities you have with someone in the class or a sibling (preferably someone of the opposite sex).

** If you are unable to access resources and would prefer a paper copy of these instructions please contact the school office.

Woodlands Junior School

Rivers in the
UK

What do you know about rivers?

Discuss...

- What do you know about rivers?
- Do you know any rivers?
- Do you live near any rivers?

What rivers are there in the UK?

Task 1: Share the booklet with your partner. Think about...

- What rivers are?
- Where do they come from?

Complete the quiz...

Which was the longest river you read about?

A. The River Thames

B. The River Tyne

C. The River Ouse

A. The River Thames

It is 215 miles long.

The River Humber drains in the where?

A. The Irish Sea

B. The North Sea

C. The English Channel

B. The North Sea

Where does the River Trent flow through?

A. Hull

B. Nottingham

C. London

B. Nottingham

What was the fun fact we learnt about the River Mersey?

A. You can walk over it.

B. It is warm like the sea.

C. Someone wrote a song about it.

C. Someone wrote a song about it.

[https://www.youtube.com/watch?
reload=9&v=08083BNaYcA](https://www.youtube.com/watch?reload=9&v=08083BNaYcA)

What fish is the River Tyne good for?

A. Cod

B. Goldfish

C. Salmon

C. Salmon

Where do rivers come from?

Task 3: Watch the video below to find out more about rivers.

<https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-rivers/z6qsf4j>

Why are rivers wiggly?

Task 4: Experiment

Think about...

What happens?

How does it happen?

What is the result?

Make your own river art...

Share the story, 'The River'

Look at the images of the river and how the colours are used. Now create your own river art.

*Famous Rivers
in the U.K.*

The River Thames

London

Where?	Southern England
How long?	215 miles

The River Thames flows from Kemble, through London and into the North Sea. There are 45 locks on the River Thames.

Fun Fact: The river is non-tidal and is home to over 25 species of fish.

The River Trent

Nottingham

Where?	Nottingham
How long?	95 miles

The River Trent is one of England's major rivers. It flows through the city of Nottingham and into the countryside of Trent Vale. The water way carries a lot of commercial traffic meaning boats that carry important things to businesses across the country.

Fun Fact: The original river was built in Roman Times. Other parts have been added and joined through time.

The River Ouse

York

Where?	York, North Yorkshire
How long?	52 miles

The River Ouse flows through the city of York and the towns of Selby and Goole. Places around the River Ouse are often flooded over winter. The river helps to drain large parts of the Pennines and Yorkshire Dales.

Fun Fact: The River Ouse runs into the River Humber.

The River Mersey

Liverpool

Where?	Liverpool, North West England
How long?	70 miles

The River Mersey is formed in Stockport.

It drains large areas of Lancashire and Cheshire. The Mersey drains into the Irish Sea on the west coast of England.

Fun Fact: A famous Liverpool band, Gerry and the Pacemakers wrote a song about the river, Ferry Cross the Mersey in 1965.

The River Tyne

Where?	Newcastle, North East England
How long?	73 miles

Newcastle

The River Tyne flows from the Pennines through Newcastle and Gateshead and into the North Sea. It is the best salmon river in England.

Fun Fact: The north part of the Tyne starts in Scotland and flows into England.

The River Humber

Hull

Where?	East Yorkshire
How long?	40 miles

The River Humber opens up into the North Sea on the east coast of England. The river begins where the River Ouse and River Trent meet.

Fun Fact: The Humber Bridge was built over the River Humber in 1981. It is the longest suspension bridge in the UK.

The River Humber

The Humber Bridge

A photograph of the Humber Bridge, a suspension bridge spanning a wide river. The bridge has two tall, slender towers and is supported by cables. The water is calm, and there is a grassy bank in the foreground. The sky is blue with some white clouds.

Friday 6th November

NCO: Understand that sometimes people make assumptions about boys and girls (stereotypes).

- **I can understand that sometimes people make assumptions about boys and girls (stereotypes).**
- **I can understand some ways in which boys and girls are similar and feel good about this.**

Complete the shield with 4 similarities you have with your partner.

We are special because
