# Dragon Eyes Art Project

Week 1

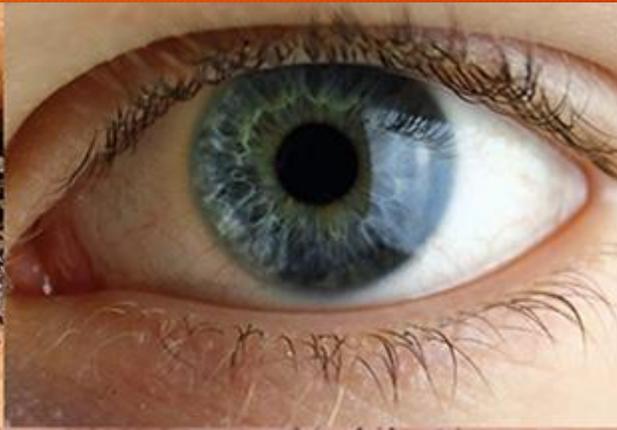

# Our Art project...

This term we will be exploring different materials and mark making to explore the image of the eye.

Our final product will be a clay impression of a dragon's eye.

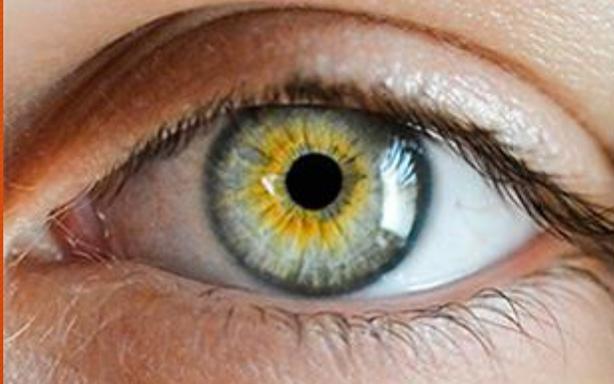

This week we are going to look at sketching eyes. You will need a pencil and some paper.

Please don't use colours - I want you to try using different shading techniques with the pencils.

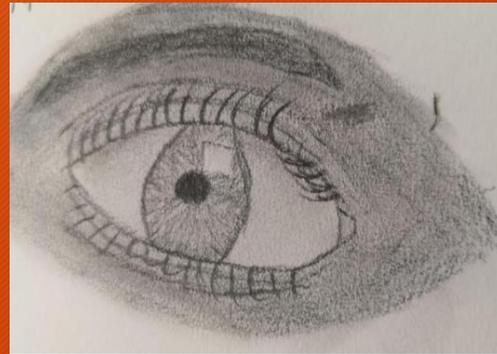

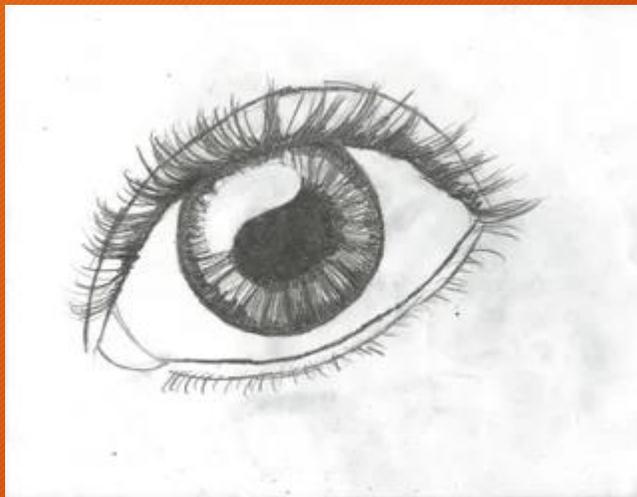

Look at the different shapes and shades of the eyes shown.

What do you notice?

# Look into my eyes...

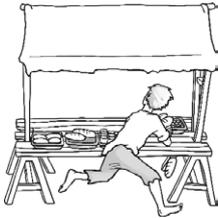

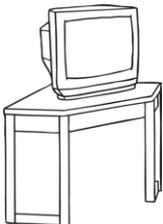

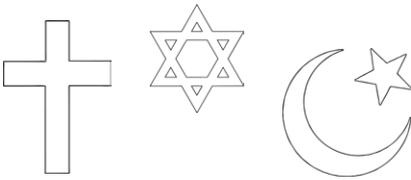

Now I want you to use a mirror to look at your own eye. Use your pencil to sketch your eye in detail. There are some examples below.

# Good or Bad Monarch Rules?

Can you circle the rules that you would choose if you were a good monarch and cross out the ones you would not choose? Then use the blank spaces to add some more rules that you would create if you were a king or queen.

<p>Nobody is allowed to steal from anybody.</p> 	<p>Everyone has to pay the monarchy £100 per year.</p> 	<p>Every child should receive an education.</p> 
<p>Nobody is allowed to have a TV in their home.</p> 	<p>It will be free to post letters and packages anywhere in the country.</p> 	<p>It will be free to see a doctor and have operations in the hospital.</p> 
<p>Children are allowed to drive a car.</p> 	<p>Everyone has to respect each other's beliefs and ideas.</p> 	<p>People can only buy sweets and chocolate from the King.</p> 

Divide by 2

- Count in multiple of 2, 5 and 10.
- Recall multiplication and division facts for 2, 5 and 10 and use them to solve simple problems, demonstrating an understanding of commutativity, as necessary.

# Jack and the Monkey

It was on Monday that the mother and her son, Jack, sat down to some onion soup. She had just taken the soup out of the oven and lifted off the cover when there was a knock on the front door. While she took off her gloves there was another knock.

‘I wonder who it can be?’ she said. She thought it might be her brother come to tea but nothing prepared her for what she saw when she opened the door. There in front of her was none other than a monkey. The monkey was holding a jar of honey and looked thin and sad.

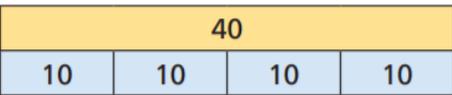

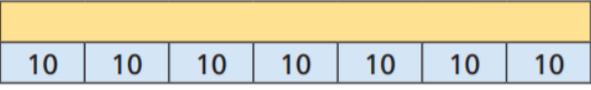

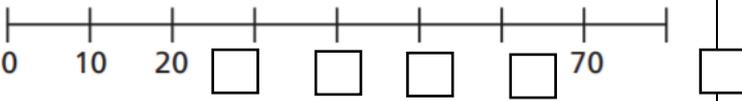

*continued...*

‘Oh, my love,’ she said, and took the monkey into her home. The monkey in return gave her honey and Jack asked if he could live with them. The honey was the sweetest she’d ever tasted so she told Jack not to worry, the monkey could stay with them forever.
