

Year Three Recommended Reading

As a school we want to help to enthuse your child about reading and we are often asked to recommend books which are pitched at an appropriate level for Year Three. The following recommendations represent a range of genres which we hope will develop your child's reading (and writing) skills. We have recommended texts which may be less familiar and some from authors with a track record in writing high-quality children's books. Not all the obvious books are here and the list is far from exhaustive! However, we hope amongst this selection there will be a book or an author that becomes a family favourite for your child.

We are passionate about reading. In the words of the incomparable Dr Seuss:

"The more you read, the more things you will know. The more that you learn, the more places you'll go."
